Before you fly: Keep every checked bag under **20 kg** from Beijing until Hong Kong — all three domestic flights enforce it (Etihad allows 40 kg). Domestic China flights **ban power banks without a clear 3C logo** (recalled/faulty ones too). The Kunming→HK leg re-enters your visa-free window; plan the Dec 21 exit as day 29 of 30 (legal deadline 22 Dec 24:00). Official e-itinerary & e-receipt PDFs for each internal flight are attached to the Trip.com confirmation emails.
